Bela Vista Property Services
is a specialist provider of
professional real estate services
with a primary focus on
Macau and Southern China.
We are committed to delivering
unparalleled service through to
the very last detail.

Our vision is to be Macau’s
foremost property services
company with a focus
on property and facilities
management, tenancy
management and leasing.

Our Expertise

Our internationally experienced in-house team and strong network of service providers enable us to provide our clients with a full scope of property services.

Our Team

In order to meet our clients’ expectations and requirements at each stage of the real estate management process, we have assembled a dynamic team of ten professionals with expertise in a variety of areas to provide a tailored range of services based on their market insights, solid experience and in-depth knowledge.

Our Services

- Project and construction management
- Project advisory and consultancy
- Property and facilities management
- Tenancy management
- Leasing
- HR, administrative and accounting
- Marketing

Our Portfolio

Our current portfolio ranges from luxury residential developments to prime retail as well as food and beverage offerings.
